

Abraham Irrigation Company none

That whenever the water available for storage in the Sevier Bridge Reservoir, as set forth in this decree, shall exceed 104,000 acre feet in any one season, then the said Companies, pursuant to the provisions of what is commonly known as the "Four-Party Contract", shall participate in and be the owners of such excess in the following proportions:

Delta Canal Company	17%
Deseret Irrigation Company	20.55%
Abraham Irrigation Company	5.45%
Central Utah Water Company	57%
Melville Irrigation Company	none

IT IS FURTHER ORDERED, ADJUDGED and DECREED that the division and allocation of all of the waters arising in or flowing into the Sevier River in the lower zone, that is, between the Vermillion Dam as now located in the Northwest quarter of Section 32, Township 23 South, Range 2 West, and the Delta Gauging station as now located in the Northwest quarter of Section 27, Township 16 South, Range 7 West, Salt Lake Meridian, approximately 6½ miles northeast of the town of Delta, shall be as follows:

The right of the Abraham Irrigation Co. represented by its application No. 1176, certificate No. 78 B with period of use from March 1 to July 1 of each and every year, and a priority date as of January 8, 1907, shall be satisfied out of waters yielded by the Sevier River in the lower zone as hereinbefore defined, after all prior rights are satisfied in full.

That the Rocky Ford Canal Company, a corporation, shall be entitled to 16,000 acre feet and the Willow Bend Irrigation Company, a corporation, shall be entitled to 8,000 acre feet of the waters yielded by said Sevier River between Vermillion Dam as now located in the Northwest quarter of Section 32, Township 23 South, Range 2 West, Salt Lake Meridian, and the Rocky Ford Dam as now located in the Northeast quarter of Section 19, Township 22 South, Range 1 West, Salt Lake Meridian, between April 1 and October 15 of each and every calendar year; provided further that the Rocky Ford Canal Company and the Willow Bend Irrigation Company shall be entitled to store jointly during the month of March, out of the waters so yielded, in their reservoir above the Rocky Ford Dam, not to exceed 2,000 acre feet of water. The water so stored shall be used only between April 1 and October 15 of the same calendar year and such storage shall be charged against the season's total supply of said 24,000 acre feet, and said companies may release the same for use in any quantity at any time between said dates, providing said storage does not exceed at any one time 2,000 acre feet.

That the above quantity of water decreed to the Rocky Ford Canal Company and to the Willow Bend Irrigation Company shall not be subject to use or transfer for use upon lands lower down the river than the lands available for use under the present canals
